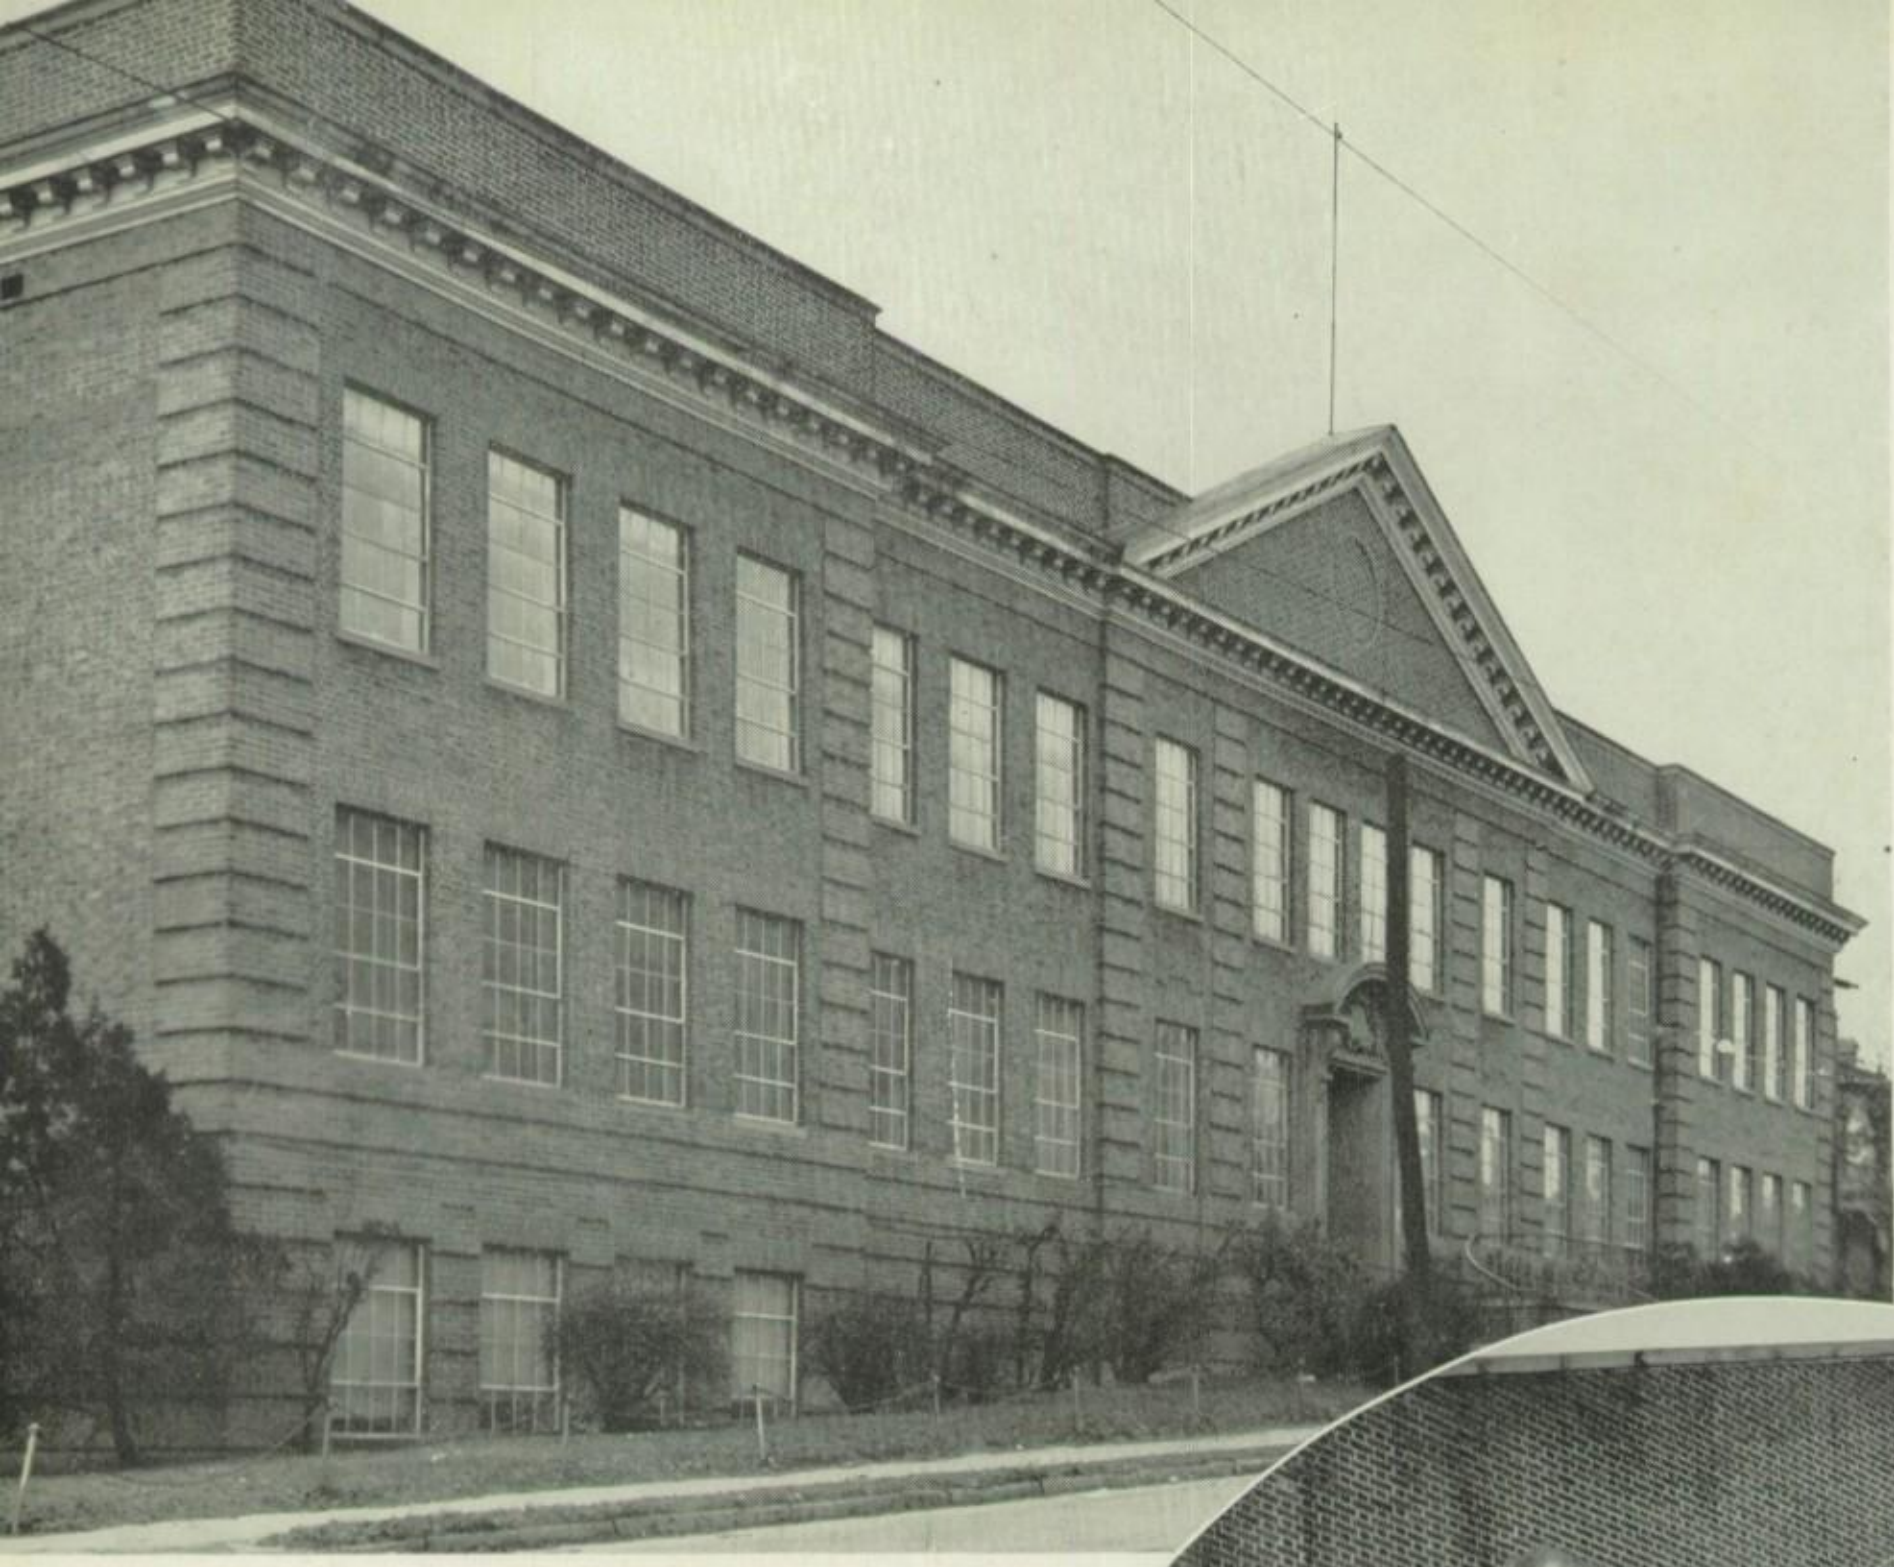
THE FORUM—1946



Have you ever been asked to give a description of your school; not the building, but the feeling that lives there? Of Fulton you might answer, "Look at the Cardinal, our school symbol." This bird is a joyous one, singing as it performs its daily tasks. Its joy of living is reflected in our students. But trouble and hardship so often come wrapped in the same package with happiness. When sadness comes to one of us, look at the Cardinal, for there in his brightness is signified the courage, the cheerfulness, the indomitable spirit of our school.

DEDIC

For her charming personality and gracious ways . . .

For her wonderful outlook on life and her ability to see beauty in things that many of us overlook . . .

For her everlasting twinkle of humor, even when everything goes wrong . . .

For her loyalty, her wonderful spirit, and her ability to broaden and elevate the minds of her pupils through her inspiring teaching and friendly contacts . . .

We, the 1946 FORUM staff, take pleasure in dedicating the twenty-third volume of the FORUM to

MISS SARAH C. WEBSTER

A T I O N

Foreword

We, the staff of the 1946 FORUM, hope this issue will be the best the school has ever published. We sincerely hope that this picture of the year of 1946 and its activities will bring many pleasant memories to your mind and that you wil always remember what Fulton stands for and has stood for in the past.

These few pages will show the spirit of the school, but nothing will ever be able to show how real is our love for Fulton, the teachers and our fellow students.

MRS. DICE R. ANDERSON, JR.
Died March 26, 1946

Mrs. Anderson taught at Fulton High School only a few weeks before she was taken ill. During that time she endeared herself to the faculty and students as a wide-awake sympathetic teacher and as a lady of culture and charm.

In Memoriam

BOB DICKERSON

Became janitor of Fulton High School, 1917 . . . Died June 24, 1945

Fulton High, the faculty, and the students who knew him will always have a warm place in their hearts for Bob.

Bob was Fulton's janitor, and was not just an ordinary person, but a part of Fulton itself. He had been at Fulton for over twenty-seven years, when during the summer, he was called to go Home.

Bob's humor and his chuckle were prized by Fulton's students. It was Bob whom the returning students always wanted to see first. Bob had unusual ability and was really an executive in dealing with his helpers and with the many tasks that fell upon him. He never failed to answer a call for assistance and many times he spent the night alone in the building in order to keep it warm for us in sub-freezing weather.

Bob was always kind and had a friendly word for everyone. In every way he could, he was always striving to make Fulton a better school and Fulton High and all she stands for will always be grateful to him.

One of the principals under whom Bob served, said at his funeral, "No student nor teacher of Fulton High School has made a greater contribution to Fulton than has Bob."

Words are really inadequate to express our feelings over the loss of such a friend. We merely lift our heads and say, "We miss you, Bob."

The Cardinal

A harbinger of spring is he,
This crested bird that sings with glee.
He sits on a limb so high above
And sings to his mate a song of love.

Twittering, they work to build their nest,
Each for the other doing his best.
With twigs and straw and many a feather,
Side by side they work together.

As they dream of their young, little know they the joy
Their song will inspire in each girl and boy
Who copy their virtues with great expectation
Of making a greater and better nation.

As Fulton's symbol, this bird is the head
Of each activity . . . with its coat of red:
The football team and paper the same,
Each sharing renown from the cardinal's name.

Working at Fulton year by year,
Seeking those virtues she holds so dear;
Dreaming like the bird what the future may bring,
We work together in everything.

Our students at Fulton hear the call
Of the cardinal, challenging one and all.
When we see him floating against the sky,
We breathe a prayer for Fulton High.

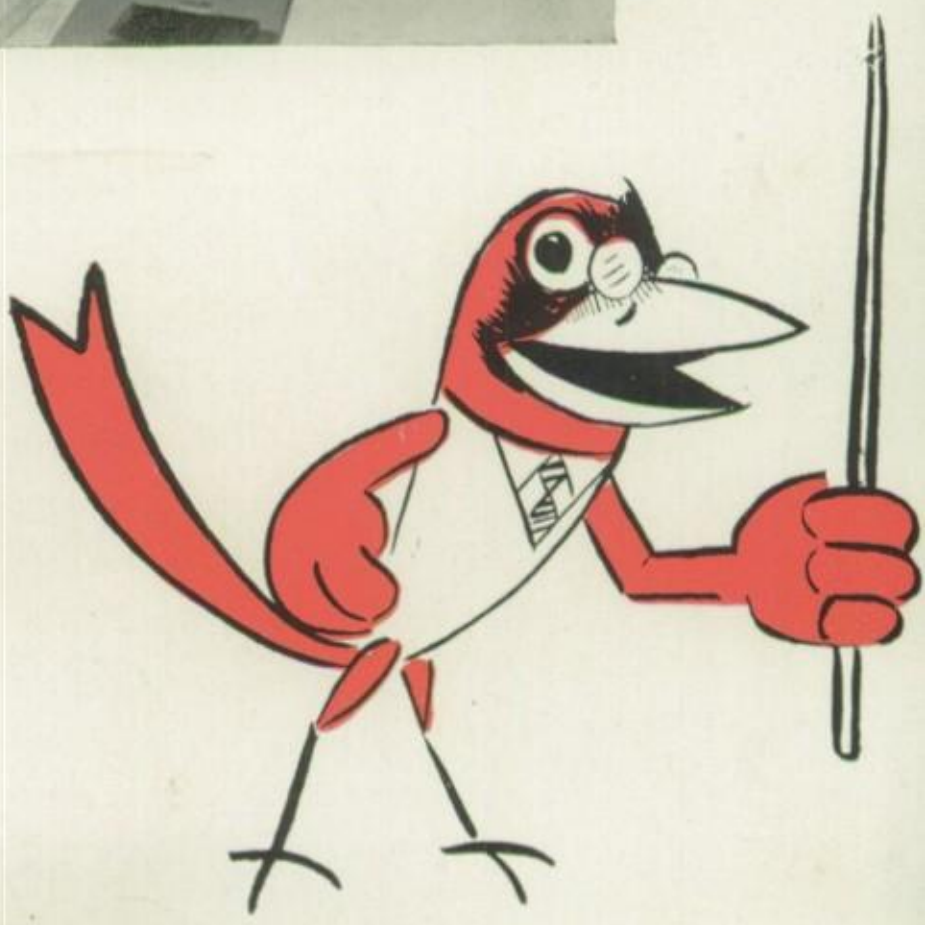
ADMINISTRATION



MR. J. E. WHITE
Principal of Fulton High School

His years at Fulton have endeared him to all who have come in contact with his devotion to duty and his kindly helpfulness to all in need.

MISS PAULINE MAGRUDER
Assistant Principal Fulton High School

Her constant cheerfulness and willingness to do her share when called upon have given her a warm place in the hearts of those who know her.

MR. JERE A. WELLS
Superintendent of Fulton County Schools

The man who needs no introduction, as he has been our friend ever since we began school.

MR. KNOX WALKER
General Supervisor of Fulton County Schools

Honored at Fulton High and throughout the county system.

Left to right, top to bottom: J. C. Eppinger, Head of Mathematics Department; Mary Winterbottom, Mathematics; Florence Thrailkill, Mathematics and Language; Claude C. Wills, Jr., Head of Science; Edith McCallie, Science; Helen Floyd, Science.

Mathematics Department

From the time we learned that two plus two was four, we realized the importance of mathematics in the modern world. The past war was largely a war of mental abilities and just such abilities will play a neven greater role in the peace. Miss Winterbottom's and Mr. Eppinger's efforts to transmit their mathematical knowledge have been successful. Fulton seeks to produce men and women who will take a leading role in the race to make our nation a well-informed one.

Science Department

The Science Department at Fulton under the careful direction of Mr. Wills, Miss McCallie and Mrs. Floyd has successfully managed to turn out another class of chemists, scientists and botanists.

It has been a brain-racking year, to be certain, but after all it was a lot of fun slashing various chemicals together even as Mr. Wills was informing us that we were all wet, or would be.

It was fun also to look at an apparently innocent drop of water under a microscope and see it turning with squirming little creatures enjoying a swim.

Yes, it has been a hectic year, but to be truthful we enjoyed every moment of it, even exams!

Faculty

Left to right: Mr. Eppinger, Miss Winterbotom, Miss Thrailkill.

Mr. Wills, Mrs. Floyd, Miss McCallie.

Commercial Department

"Under these portals pass some of the most capable business people in our city"—well might be the sign above Fulton's doors. The commercial is but one of the many courses offered to our students, but it is the most popular. Mr. Hope, Mrs. Murrell, Miss Magruder and Mrs. Strout teach the various subjects that compose the course. This postwar world is one of competition—the better the training, the better the chances for progress. Students learn not only the routine of office work, but also the little do's and don'ts which are very important.

Home Economics Department

When our freshmen girls first enter Fulton, they are taught the fundamentals of foods and clothing in our Home Economics course. The old saying "A woman's place is in the home," stands true today as never before and what could be better preparation for the future home makers of America than our advanced course in "Home Ec?" The girls are offered courses in Interior Decorating, House Planning, Home Nursing, and Child Care. Fulton has two teachers in the Home Economics Department—Mrs. Barnes, and Mrs. Wells—the head of the cafeteria.

Left to right, top to bottom: Ben H. Hutchinson, Head of English Department; Cornelia E. Cooper, English; Blannie Stallworth, English; Elizabeth Anderson (deceased), English; Cornelia Montgomery, English; Alice M. Awtry, Clerk.

English Department

In present day English classes we learn everything from how to write a play to boiling an egg. Our textbooks are as complete as that! How fortunate we are to have such interesting classes compared to the little red schoolhouse with its limited facilities attended by our forefathers! The old schoolmaster of yesterday who literally "beat" facts into the brains of unwilling students has long been just a thing of the past. Now, students take pleasure in reading the many fascinating writings available to them such as *Lady of the Lake* and *Macbeth*. But students' interests do not stop there; the great number of copies sold of current magazines to our classes is further proof of our pupils' desire to broaden their knowledge.

Office

To outsiders, Mrs. Alice M. Awtry is known as Fulton's office clerk. But to all those connected with Fulton, she is much more than that; she is a friend in need, one to whom students and teachers alike turn a sympathetic ear for advice.

Faculty

Left to right: Miss Cooper, Miss Stallworth, Mr. Hutchinson.

Miss Montgomery, Miss Womack, Mrs. Autry.

Social Science

"Love thy neighbor as thyself." Everyone knows the source of that quotation. Knowledge is the best known cure and prevention of prejudice. In our History classes we learn the backgrounds of all the different races and creeds and the problems they face. That knowledge alone enables us to understand them and the reasons for their actions. During Brotherhood Week the citizenship classes of Miss Womack and Mr. Dillingham presented the school a program featuring our neighbors the Catholic school and the Jewish synagogue. This department in our school is doing a wonderful job in training future citizens of the world to live together in equality.

Distributive Education

The part-time students in this department learn while they work on the job. They stand high.

Health

Fulton is enthusiastic over its course, which includes formal gymnastics, games, and dancing.

Library

The library is the center of the building, and the center of the student traffic lines. Similarly it may be called the heart of the school, supplying material for use in all parts of the school body.

Faculty

BIOLOGY

According to Webster, biology is "the science which deals with the origin, structure, functions and life history of vegetables and original organisms." But in Miss McCallie's and Mrs. Floyd's classes it is more interesting than that. In the Biology Laboratory are found various samples of plant and animal life. The most exciting specimen is a human skeleton. "Did I say interesting? I mean exciting, too." Just think, a human skeleton, snakes, frogs, fish and every other kind of animal you can think of. There are plenty of laughs, especially from the boys. Imagine having a boy put one of those dreadful animals on you. But it's really lots of fun. If you haven't had biology you have missed something very interesting and lots of fun.

Classes at Work

HOME ECONOMICS

If it is something to eat that you want and something good, just take a Home Economics course. When you enter the doors of the Home Ec Laboratory, you smell all the different things that Mrs. Barnes and Mrs. Wells are teaching the students to cook. It makes you hungry whether you are or not.

TYPING

The Commercial Department at Fulton is doing a great job to procure more and more stenographers for the future.

Hear those keys pop! See those fingers fly! These are future stenographers and secretaries under the super vision of Mrs. Murrell and Miss Magrauder. All is calm practice till the work "speed-test" is heard; then comes a snapping of keys to make one thing of a sham battle. In short time most of these students will be out into the world to become the future stenographers of the country.

National Honor Society

MR. BEN H. HUTCHINSON
Faculty Adviser

There is no honor that make one happier than being elected a member of the National Honor Society. It is just what one has dreamed about ever since he entered Fulton, but dreaming and actually being are different things. The honor being a member of the National Honor Society is something to work for. The society stands for scholarship, character, leadership, and service.

Forum Assistants

The Forum Staff is the group you can either praise or blame for this annual. They have stayed after school and worked many extra hours during their study halls in order to get the book out. Lay-outs, lay-outs, lay-outs—Humphrey will dream of lay-outs. Marjean can spell all the names in the school backwards. Eulene and the ad-getters learned salesmanship in a practical way—the hard way. But write-ups—that was the hardest! But yet it's grand when all goes to engraver and printer.

This year, there were an assistant to the Editor-in-Chief and an assistant to the Business Manager from each of the Junior, Sophomore, and Freshman classes. They have tried to prepare themselves for a place on the Forum when they are seniors. The senior staff welcomes them to its work and fun.

Junior Civitan Club

Mr. J. E. White, Adviser

During the year of '45 and '46, Fulton was honored by having a Junior Civitan Club organized by the Southside Senior Civitan Club. Mr. O. T. Kitchens, the president, was largely responsible for this organization. The Club's work has helped influence better citizenship throughout the entire student body. The Senior club held several banquets in honor of the younger members and presented each one with creeds and membership pins. The Junior club sponsored chapel programs. Their essay contest was one of the biggest successes. Only juniors and seniors with high scholastic and conduct records could be elected into the club.

Cardinal Staff

Miss Lucille Womack, *Director*

Big problems and high aims; serious thoughts and humorous moments; quiet study and noisy activity—the *Cardinal* staff of '45-'46 knows well about such things. A new staff and a new adviser made new problems, but Fulton's journalists know also about determination and cooperation. And above all, they know about the sheer fun of the hard work and the good writing needed to see in print the life and spirit of Fulton.

Cardinal Representatives

First row, left to right: Leonice Gormon, Joan Lee, Reba Chastain, Wallace Pope, Doris Moore, Bobby King, Bobby Ward, Eugene Smith. . . . *Second row:* Betty Humphrey, Eddie Gilstrap, Cathryn Dixon, Dorothy Autry, Charles Blankenship, Herbert Turpin, Joe Rush. . . . *Third row:* Tommy Watkins, Bobby Keen, Prentiss Fields, Robert Turner, Arthur White, Tommy Vaughn. . . . *Not in picture:* Patsy Schell.

Supporting the staff of the *Cardinal* and working hard to make a success of all the *Cardinal's* undertakings . . . thus have the Representatives fulfilled their task and earned the praise of the staff and of the school. Representatives carried out the subscription campaign with zeal. And every two weeks they were on hand to see that each subscriber received his *Cardinal.*

The members of this organization are chosen by their respective home rooms. It is each member's duty to set an example for the rest of the school; certain qualifications are necessary. Members must have an average of 85 or above. The aim of this organization as a whole is to help Fulton by keeping the building clean at all times, keeping markings and drawings off the walls, and upholding the rules. Last and most important, to keep up the spirit of helping each other and doing the best in our work and play.

And soon we'll know what's in store for today.

"When the roll is called, please say *Ici,*
And then a song we'll sing with glee.

Allons, enfants the echoes ring
"There's nothing we'd rather do than sing."

With *Frere Jacques* that jolly round,
In tones so sweet the notes resound.

"And to our secret pal, *merci beacoup*
For the many things you found to do.

"More of France we wish to know
So when we next meet, some films we'll show.

"We've had our program and business, too
So now we'll close with a fond *adieu.*"

Hi-Y

Mr. J. C. Eppinger, *Sponsor*

Fulton has a Hi-Y Club to be proud of. The Y.M.C.A. sponsors these clubs and much good has been derived from them. The boys visit the Y.M.C.A. during the year for various sports and entertainment. This year for the first time the boys held initiation for the new members.

The bull sessions are famous; Mr. Eppinger is good at telling jokes; Paul Thomas plays "boogie - woogie" to perfection. After the meeting the members watch the "Y" Basketball games or go swimming.

The good times were climaxed by climbing Stone Mountain and spending the night there.

Fulton's Library is one of the most popular section of the school. Our librarian, Miss Elizabeth Whitehead, is beloved by all the students. Her cheerfulness and great sense of humor has been to the advantage of many a student who wanted to turn the library into a fun house. She has a staff of asistants formed by volunteers from the student body.

Fred Anderson and Bill Gilstrap made All-N.G.I.C. and All-City Prep. Charles Ferguson was responsible, probably more than any other player, for the team's improvement in his handling of the quarterback duties from the "T." Jimmy Roberts and Bill Strawn were good backs, and Jack Tarleton, the outstanding linesman.

Fulton-Decatur: The Fulton Redbirds opened by bowing to a strong Decatur team 37-0. On acount of our backfield, we reaped 11 first downs to Decatur's 8.

Fulton-Commercial: We won over Commercial 12-7 with Fred Anderson and Jimmy Roberts doing outstanding running.

Fulton-West Fulton: We won 25-7. Charles Ferguson got away some good passes to Ronald Nelms.

Fulton-College Park: College Park rallied to beat Fulton 20-0, making it our second loss for the year.

Fulton-Marrietta: Fulton came back with mighty force against Marietta, trouncing them 32-0.

Fulton-North Fulton: Fulton was defeated by the North Fulton Bull Dogs 27-12, with Milton Bradford, our center, putting up a stiff fight on the muddy gridiron.

Fulton-Hapeville: The Redbirds took an easy victory from Hapeville, 32-0.

Fulton-Russell. Fulton lost a heartbreaker to the Russell Wildcats, 27-0, with Jack Steinichen playing a good game in Bill Strawn's backfield position.

Girls'

VARSITY TEAM

Front row, seated, left to right: A. Wilson, M. Patterson, E. Lee. . . . *Back row:* D. Autry, D. Adams, J. Monroe, E. Graef, P. Schell.

Fulton-Druid Hills: Tied up 21-21. Marjean Patterson, with 17 points, was high scorer.

Fulton-Campbell: Fulton beat Campbell, 27-9.

Fulton-Decatur: Decatur gave us our first defeat, 16-15. Sharp defensive play by Dorothy Autry, Gussie Graef and Edwina Lee sparked the drive.

Fulton-Hapeville: Another deadlock, 21-21. Over-confidence was our chief trouble.

Fulton-Russell: Fulton romped, 44-15, with the three first-string forwards leading the way. Joan Monroe was the main defensive wheel in this attack.

SECOND STRING

Bottom row, left to right: D. Morris, B. Hamby, C. Adams, M. Graef, M. J. Cathey, G. Lemming. . . . *Top row:* M. Moore, B. J. Dudley, P. Bowden, M. J. Gambrell, E. Bryant, J. Edwards.

THIRD STRING

Front row left to right: R. Owensby, M. Boyd, E. Eavenson, M. M. Pass, J. Burton, Betty Haley. . . . *Back row:* B. Jones, G. Lance, N. LeMaster, P. Buice.

Basketball

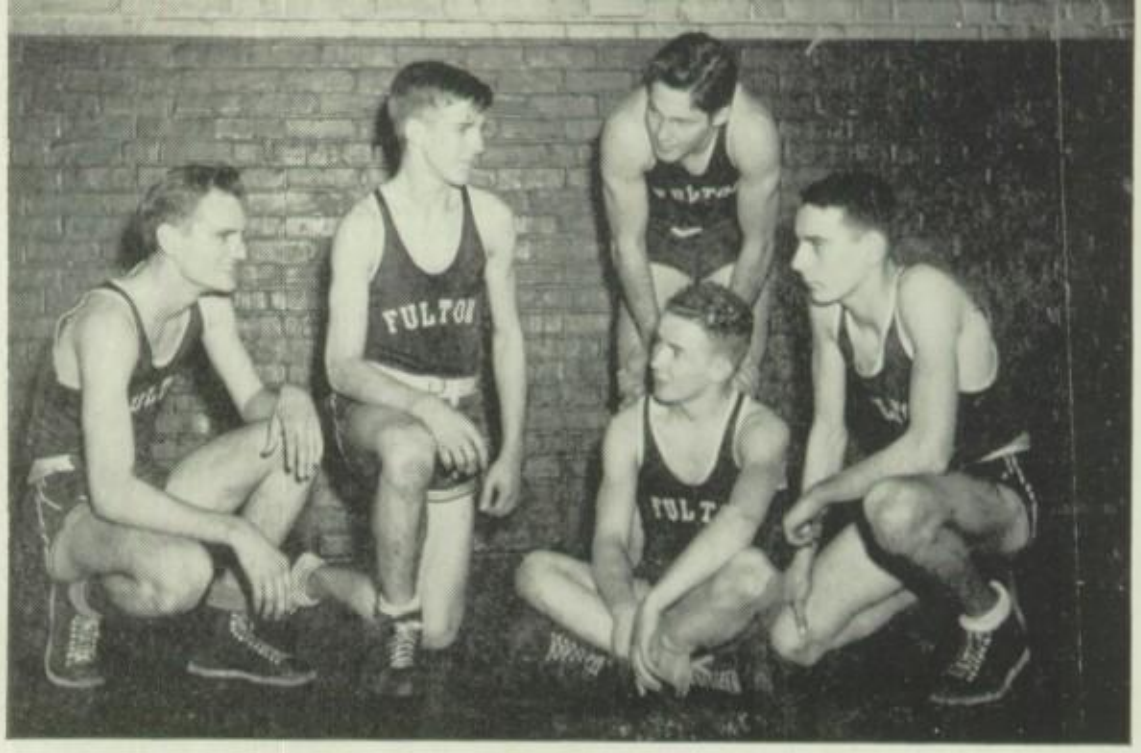
Fulton-Druid Hills: We take 'em, 30-23. Dot Autry's defensive play was outstanding, with Marjean Patterson rolling 15 points and Patsy Schell looping in 12. . . . *Fulton-College Park:* We lost our second N.G.I.C. game 19-18. Anne Wilson rang 12 points, while Eulene Graef did well in stopping their high-point girl. . . . *Fulton-North Fulton:* North Fulton beat us, 24-18. Schell and Patterson both collected 7 points apiece. . . . *Fulton-Hapeville:* Taken by Fulton 23-14. Patterson led the scoring with 13 points. . . . *Fulton-College Park:* Always out to beat a team that has previously beaten us, we whipped College Park, 23-17. . . . *Fulton-Decatur:* For the first time in about seven years, our girls gave Decatur a licking, 24-22. With two whole minutes to play and only 2 points ahead, Schell, Wilson, and Patterson froze the ball, completely baffling the Decatur guards. . . . *Fulton-Forest Park:* Easily taken by Fulton, 41-19. . . . *Fulton-Russell:* Another run-away, 43-6. Marjean Patterson set the N.G.I.C. high scoring record for the whole year with 34 points. . . . *Fulton-North Fulton:* Our final game was lost to North Fulton, 23-15.

Marjean Patterson was elected captain, and Patsy Schell, alternate captain for the year.

The season as a whole: Marjean Patterson and Patsy Schell played their fourth year and were outstanding. Dorothy Autry, Eulene Graef, third year, and Edwina Lee, second, were outstanding guards. Anne Wilson and Joan Monroe probably improved more over the season than any others.

VARSITY

Left to right: Charles Ferguson, Ronald Nelms, Fred Anderson, Marion Daniel, Milton Bradford.



SECOND STRING VARSITY AND "B" STRING

Front row, left to right: Bobby McLendon, Charles Blankenship, Herbert Turpin, Bill Gilstrap. . . . *Second row:* Bruce Schell, Milton Martin, Bobby King, Eugene Moody, Wallace Pope, Bobby Ward. . . . *Third row:* Neil Compton, Jimmie Tanner, Paul Van Wyck, Thomas Bozeman, Herman Tribble, Jack Steinichen, Jack Zuker.

"C" STRING

Front row, left to right: Roy Martin, Billy Blankenship, Harry Goss, Dwight Strickland, Calvin Mason. . . . *Second row:* Johnny Hunt, Carlton Gunter, Howard Fields, Carl Hartness, Dan Keishian, Virlyn Cawthon, Eugene Smith.

Boys'

Outstanding players for the whole season: Fred Anderson, Milton Bradford, Charles Ferguson.

Bill Gilstrap showed great improvement over the season's play. Ronald Nelms and Marion Daniels did well for their first year on the varsity.

Fulton-Druid Hills: Our boys started the year off losing to Druid Hills, 22-23. Milton Bradford was high point man for the game with 5 points.

Fulton-Campbell: Once again our team stepped out of N.G.I.C. to hand Campbell a loss, defeating them 33 to 23. Gilstrap poured 11 points through the hoops while Anderson and Bradford were right behind with 10 points each.

Fulton-College Park: Our third win in N.G.I.C. play came when we thrashed College Park 37 to 28. Bradford dropped 18 points through the baskets to take high scoring honors for the night.

Basketball

Fulton-Decatur: Decatur knew they had opposition when they eked out a 25-23 decision over the Fulton quintet.

Fulton-Forest Park: Forest Park was surprised to come out on the short end of the 24-22 score. Bradford, Anderson, and Gilstrap registered 8, 7, and 6 points respectively.

Fulton-West Fulton: Our next foe, West Fulton, was easily handled, 45-17. Gilstrap 14 points, Anderson 12.

Fulton-Russell: Final score 26-20, with Anderson and Gilstrap shooting the most points.

Fulton-North Fulton: Fulton takes it, 31-30. Heading the scorers was Anderson, 5 points; and fine defensive play by Bradford, Ferguson, and Gilstrap.

Individual scoring honors for season including both conference and non-conference tilts were: Anderson 147; Bradford 128; Ferguson 49; Gilstrap 49; Daniel 30; Nelms 22; McLendon 1. Fulton racked up 448 points in 17 games for the opposition's 423. Our team was very good this year, giving strong teams like Decatur, North Fulton and Druid Hills many scares. Our record was 8 games won and 9 games lost.

Fulton-Decatur: In the Fifth District tournament, Fulton went down in the first round to Decatur, 23-40.

Fulton-Commercial: In N.G.I.C. tournament, Fulton defeated Commercial, 36-27.

Fulton-Gainesville: In quarter-finals, Fulton lost 29-30.

1945 PENNANT WINNING TEAM

Bottom row, left to right: Porter, Nelms, Waits, Adams, McMillin, Steinichen, Strawn. . . . *Top row:* Ward, Helton Shellnutt, Donegan, Mr. Hope, Stephens, Bearden, Gantt, Hargis.

Baseball

In 1945 Fulton High won the N.G.I.C. pennant. Ray Bearden, pitcher and infielder, was the best in the league. He signed a contract with the St. Louis Cardinals of the National League.

Dick McMillin was an All-N.G.I.C. pitcher. Jack Stephens led the league in home-runs; Richard Waits was a fine performer at second base; Marion Porter led the shortstops in the league—Porter was a great hitter, base runner, and base stealer. Bobby Hargis, the left fielder, was a great and consistent hitter.

The other boys weren't All-N.G.I.C. performers, but were above the average and battled for vic-

tory and had the desire to win. Fulton has turned out several players in the past years, who proved to be good college players; some tried professional ball and made good. Billy Daniel of the 1943 team has been offered a contract by the Atlanta Crackers.

Some of the other alumni are Pete Osborn and Bobby Moore, who played in the Southern League; Jimmy Hearn, who pitched for Columbus· Luke Appling, who led the American League in batting; and Roy Shoemaker, who is a pitcher for the St. Louis Cardinals.

After twenty-four years of coaching, Mr. Hope is retiring from this part of his work. He holds the esteem of hundreds of pupils.

Mr. E. H. Moldenhauer assumes charge of the 1946 team. He did some athletic work at Fulton before he went into the Air Corps two years ago. As the FORUM goes to press, hopes are high for a fine season for '46.

Block-Letter Club

Every student who has won a letter in football, basketball, or baseball is entitled to join the Block Letter Club. Fulton is proud of its letter winners, for they represent a spirit of co-operation and industry.

The Captain, Patsy Schell, and Co-Captain, Edwina Lee did a grand job as well as the rest of the squad.

Wishes you Happiness . . .
Not just the kind that bubbles up
But happiness that is a quiet peace
Within your heart.

We wish you Faith . . .
Faith that faces the blackest sky and says, "I Trust."

We wish you Understanding—
So that your dreams will not be shattered
Because you do not try to see the other side.

We do not wish you Fame, or Power, or Gold,
But we think what share of these that comes your way
Will be the brighter, and the dearer, and still more sweet.
Because these other three belong to you.

STOP DRINKING

ARE YOU A POTENTIAL ALCOHOLIC?

ANSWER YOURSELF THE FOLLOWING QUESTIONS

1. Do you drink because you can't leave it alone?
2. Do you try to stoy but only so so far?
3. Do you make promises and try to keep them but cannot?
4. Does alcohol relieve you when extremely nervous?
5. Do you resent your family and friends trying to help?
6. Do you feel that there is something wrong but can't explain why you keep on drinking?
7. Does the night before leave you very nervous next day?
8. Do you find it harder to stop drinking each time you quit and start drinking again?
9. Is drinking affecting your home and business but you won't admit it?
10. Does one drink call for another until you humiliate your family and friends by being irresponsible?
11. Do you experience mental haziness and lack of concentration after a debauch?
12. Do you begin to get nervous and irritable when you have gone a certain length of time without drinking, but get relief soon after you have had several drinks?
13. Do you know in your own mind that you are slipping?
14. Has drinking passed the playful stage with you?

If any seven of the fourteen questions above apply to you personally, you are a potential alcoholic—it is time to stop now for good, as continued use of alcohol can only lead to increased suffering.

In from seven to ten days' treatment, at the White Cross Hospital, every one of the above symptoms is completely removed, with no further desire or craving for alcohol in any form. The White Cross treatment has gained the Interest, Respect and Good Will of leading business and professional men and women in Atlanta and throughout the South.

Write or phone WAlnut 7042 for confidential information or personal interviewer. Folder sent upon request.

WHAT'S IN A NAME?

We naturally look for the maker's name on a manufactured article to determine its worth.

The average person is impressed by an appearance of quality, or the lack of it, but he verifies his appraisal by observing the trade mark or imprint of the maker.

Fine products are identified by the name of the producer. The "Stevens" imprint on engraved stationery has earned an enviable reputation throughout half a century's experience. When considering the purchase of engraved stationery, consult this establishment.

"Where is the car?" demanded Mrs. Dingley.
"Dear me!" ejaculated Professor Dingley. "Did I take the car out?"
"You certainly did. You drove it to town."
"How odd! I remember now that after I got out I turned around to thank the gentleman who gave me the lift and wondered where he had gone."
